

NEVADA DIVISION OF ENVIRONMENTAL PROTECTION FACT SHEET

(Pursuant to NAC 444.641.3(b) of the Solid Waste Disposal regulations of the Nevada Administrative Code.)

Permittee Name: Northern Nevada Correctional Center

Permit Number: SW274REV00

Description of Proposed Facility

The applicant has proposed construction and operation of a Compost Plant composed of composting windrows, contiguous land, structures, and other appurtenances and improvements for the composting of raw materials. The proposal to construct and operate at this site has been formally requested of the Nevada Division of Environmental Protection by Full Circle Compost's submittal of a permit application for a Compost site owned by the Northern Nevada Correctional Center. The land on which the site is located is owned by the Northern Nevada Correctional Center and Full Circle Compost will operate the site.

Location:

Northern Nevada Correctional Center, 1721 Snyder Ave, Carson City, Nevada 89702.

Description and Design of the Site

The 138 acre parcel occupied by the site is zoned Industrial. The Compost Plant will be operated as windrow operation. The unit will consist of multiple windrows, approximately 1,200 feet long by six feet high. The Compost Plant will accept ground wood waste, manure, green material, mineral rock powders, recycled sod, topsoil and silt tailings (site specific). The Compost Plant will not be accepting municipal solid waste (i.e. Garbage) and is therefore not subject to the setback restrictions in NAC 444.670 2(a).

Proposed Action

The Nevada Division of Environmental Protection intends to issue a compost plant Permit to Northern Nevada Correctional Center to construct and operate the facility described in the application and this Fact Sheet.

NEVADA DIVISION OF ENVIRONMENTAL PROTECTION FACT SHEET

(Pursuant to NAC 444.641.3(b) of the Solid Waste Disposal regulations of the Nevada Administrative Code.)

The Nevada Division of Environmental Protection's Notice of Intent to issue a permit authorizing the operation of this facility, subject to the conditions contained in the permit, will be published in the Nevada Appeal. Additionally, the Public Notice will be mailed to interested persons on our mailing list. The Division will accept written comments and written requests for a public hearing on the draft permit from all interested persons. Written requests for a public hearing must state the nature of the issues which the requester intends to raise at the hearing. Written requests for a public hearing and written comments on the draft permit will be accepted until the end of the public comment period. The Division may extend the period for public review, as necessary.

Will there be a public hearing?

The Division may schedule a public hearing on its own initiative or based on receipt of a written request received during the public comment period. Any interested person may submit a written request to the Division for a public hearing on the proposed action. The request must state the nature of the issues which the requester intends to raise at the hearing. If a hearing is scheduled, the Division will notify all persons who are on the mailing list or who have submitted written comments on the proposed action.

When does the comment period end?

The 30-day comment period ends October 31st, 2005. Anyone wishing to comment should do so in writing prior to this date. The Division may extend the comment period as it deems necessary.
